Bringing Quality Lighting Fixtures At Your Budget

Company Profile

Mission Statement

Our mission is to Improve quality of life by providing the best quality energy-efficient lighting for people and places. We also want to establish lasting relationship with our customers by exceeding their expectation and gaining their trust through exceptional performance.

Profile

Al Redha Lights started its business operation the year 2002. Whereas **Anwar Al Redha LLC** was established in April, 2008. Now both the teams are working under the flagship of **Anwar Al Redha General Trading LLC**.

What is unique about **Anwar Alredha** is the professional expertise and commitment to quality. Five retail outlets across the states of Emirates and export of our products to numerous countries of the world, reflects the unfaltering commitment to quality and that symbolizes **Anwar Alredha** with excellence. The company has accomplished significant achievements in due course of time by virtue of strong team work, a willingness to undertake any sort of challenging work and to deliver under stringent deadlines.

We do not only work with indoor sales associates, but have developed an incredible project development team which is holding awesome expertise within the market. This talented team has done a tremendous job by winning contracts for fixing of **Anwar Alredha** lighting fixture and electrical accessories products at shopping malls, buildings, villas, hotels. Our project Executives professionally handle all requirements and queries related to contractors, site engineers, consultants and the owners. Some of the well renowned projects handled and successfully completed by our Project Division team are:

- Cement Factory – Dubai Investment Park
- Siemens' Warehouse – Jabel Ali
- ADCB – Umm Al Quwain and Dibba
- Bus Depot RTA., - Al Khawaneej
- Al Shali Towers - Ajman
- Al Manama Supermarket – Sharjah
